### **CALL FOR APPLICATION ERASMUS+ SHORT-TERM STUDENT MOBILITY**

#### **WHAT is supported?**

- Erasmus+ supports travel and subsistence costs for short-term mobility of minimum 5 and maximum 30 days for students in bachelor, master and PhD programs.
- A mobility to one host institution (continuous stay without interrupting days)
- For students in bachelor and master programs, the short-term mobility must be combined with a virtual component (for example Online Learning as part of a project or event).
- The virtual component is optional for PhD students.
- All mobilities funded through Erasmus+ will count towards the 12-month time quota per study cycle.

#### **WHEN?**

- Application is on a rolling-basis.
- Complete documents must be submitted to the International Office at least 3 months prior to the start of the mobility.
- The grant cannot be awarded retroactively.

#### **WHO can apply for the grant?**

- All active PMU students in the bachelor, master and PhD programs.
- Mobility in Austria, in home country or country of residence of the participants during studies cannot be funded.

#### **WHERE can the mobility take place?**

- In the industry (e.g., companies, organizations, research institutions) or at a partner university in the 26 EU member states including their overseas countries and territories, Norway, Iceland, Liechtenstein, the Republic of Northern Macedonia, Serbia, and Turkey.
  - Universities must have been awarded the Erasmus+ Charter and have an inter-institutional agreement (IIA) with the PMU.
  - At one host institution.

## HOW to apply for the grant?

- Please register your interest in the Excel list in MS Teams [„Studierendenmobilität Erasmus+ Förderung“](#).
- For further questions, please contact the International Office at [international.office@pmu.ac.at](mailto:international.office@pmu.ac.at).
- Links and documents are available at <https://international.pmu.ac.at>.

## WHY is mobility important?

An internship abroad supports, among other things, the acquisition of social, professional and methodological skills, as well as the development of global citizenship, building international network and broadening horizons.
